

# AMERICA'S RICH LIFE™

KONAMI

Born from fun.®

America's Rich Life™ is an original series launching now on DIMENSION 49J™ and DIMENSION 75C™. This game features a unique patriotic theme unlike any other premium DIMENSION series currently available, with a flashy wheel feature event backed by a special soundtrack: the 1987 Grammy Award-winning song “Living in America” by Rock and Roll Hall of Fame honoree James Brown.

America's Rich Life is launching to market with two base game titles—Seaside Riches™ and Luxury Nights™—each with a unique free game experience. The series supports a mix of multi-denom options. It is available now on both DIMENSION 49J and DIMENSION 75C, with custom merchandising options.

## GAME PLAY

America's Rich Life is a 1-level linked progressive game with a 5x5 reel frame and a large, animated wheel across the upper half of the screen, which circles down to fill the screen during the wheel feature. Through game play, wheel symbols appear across all reels, displaying random credit prizes, Mini bonus awards, and Minor Bonus awards.

Anytime 6 or more wheel symbols land, the wheel game feature is awarded. The prizes displayed on the wheel symbols are added together to become the base prize for the wheel spin wedges, as the game's prize wheel comes front and center, and James Brown's “Living in America” begins to play. Three spins are awarded at the start of the feature, which includes a center wheel with prize amounts and an independent exterior wheel with additional wheel spin awards. At the completion of each wheel spin, the wedges are increased by the base prize amount, for increasing potential prize amounts as the feature progresses.

The game's Major standalone progressive jackpot and Grand linked progressive jackpot are among the available wheel spin prize wedges. The feature includes a high degree of interaction with the eagle character, who nudges the exterior wheel to a +1 Spin on about half of all spins, on average. The wheel game feature continues until no spins remain, at which time the awards are tallied, and the eagle provides a celebration.

## GAME THEME COMPATIBILITY

America's Rich Life is available with 2 base games:

Capture a slice of American paradise in Seaside Riches. This America's Rich Life compatible base game showcases icons of the west coast including the golden gate bridge, a pink hot rod, and a sparkling heroine with beach blonde hair. Seaside Riches features nudging wheel symbols during the free games, increasing odds at a wheel spin event.

Players can enjoy all the energy and excitement of the east coast skyline in Luxury Nights. Cocktails, private helicopters, and high-end jewelry cover this compatible base game in a ritzy, city night scene. The free game feature in Luxury Nights includes a respin feature anytime 3 or more wheel symbols appear, giving an extra chance at winning the thrilling wheel spin event.

## BET CONFIGURATION

America's Rich Life is a multi-denomination linked progressive with 1¢, 2¢, 5¢, and 10¢ options. Standalone bonus awards scale according to player-selected denomination and bet.

## PROGRESSIVE CONFIGURATION

The linked progressive Grand jackpot can be set at a \$10,000, \$5,000, or \$2,500 reset, according to property preference.
