RAGING RICHES

Engineered with an **amped-up version** of Konami Gaming, Inc.'s popular All Aboard™ feature, Bull Blitz™ is a linked progressive series that takes credit collection bonuses to ultra-high heights of reward potential through its original new **Xtra Hit** feature.

GAME PLAY

Bull Blitz is a 1-level, symbol-driven linked progressive game. The Bull Blitz feature is awarded when any 6 or more Bull Blitz symbols land. There are 3 different types of awards during the Bull Blitz feature:

CREDIT PRIZE SYMBOLS

Various credit prize amounts, multiplied by the player bet.

MAXI BONUS, MAJOR BONUS, AND MINI BONUS SYMBOLS

Bonus awards are fixed amounts, multiplied by player bet.

MEGA JACKPOT

This is a standalone progressive amount, with higher odds at higher bets.

GRAND JACKPOT

The top award is a linked progressive amount, with higher odds at higher bets. It is awarded if all 15 positions are filled during the Bull Blitz feature.

Three free spins are awarded at the start of the feature. The six or more Bull Blitz symbols which triggered the feature transform to instant credit prizes, bonus symbols, and/or a Mega Jackpot. All award symbols are held, while additional potential awards spin across the remaining positions. Each time a new symbol lands during the feature, all held credit prize and bonus symbols are awarded again and the number of remaining spins resets to 3. When 2 or more Bull Blitz symbols appears on the screen, then one changes into a silver coin and the remaining transform into an "Xtra Hit". For each Xtra Hit that appears, all gold coins are awarded. The feature continues until all positions are filled or the spins run out. If all positions are filled, the Grand Jackpot is awarded. All wins tally at the end of the feature.

BET CONFIGURATION

Bull Blitz is a multi-denomination linked progressive with 1¢, 2¢, 5¢, 10¢, \$1, and \$2 options, and with the flexibility to configure lines and max bet to suit. Standalone bonus amounts scale according to player-selected denomination, and players have higher odds of the bonus awards at higher bet levels.
