THE BIG BREAKTHROUGH

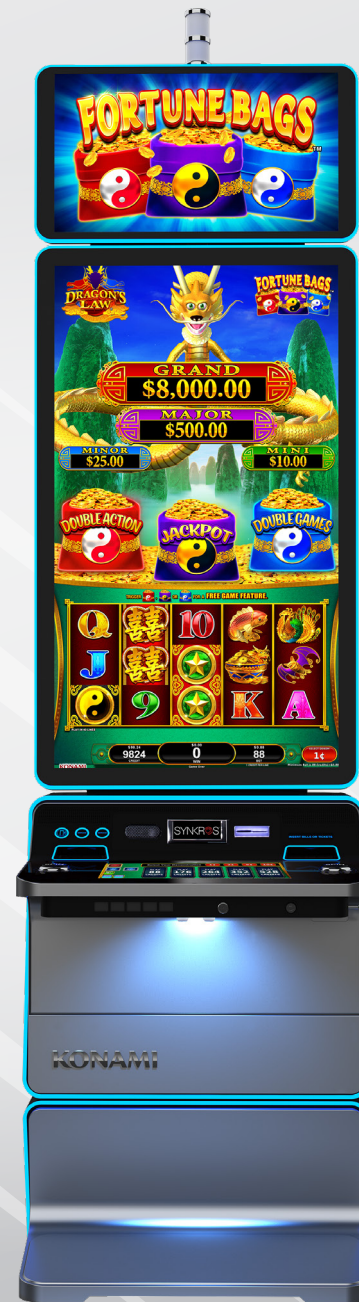

Sleek and panoramic. Flexible and comfortable. Innovative in every way. The entire DIMENSION line shows you beauty and brains in each fabulous facet, and showcases our content to its ultimate expression. Generous in its proportions, DIMENSION still has a go-anywhere footprint for unparalleled operator options. Details are devoted to player comfort, with drink holders, handbag hooks, device chargers, and space to spread out.

In sum, DIMENSION is made to grab attention—and keep it.

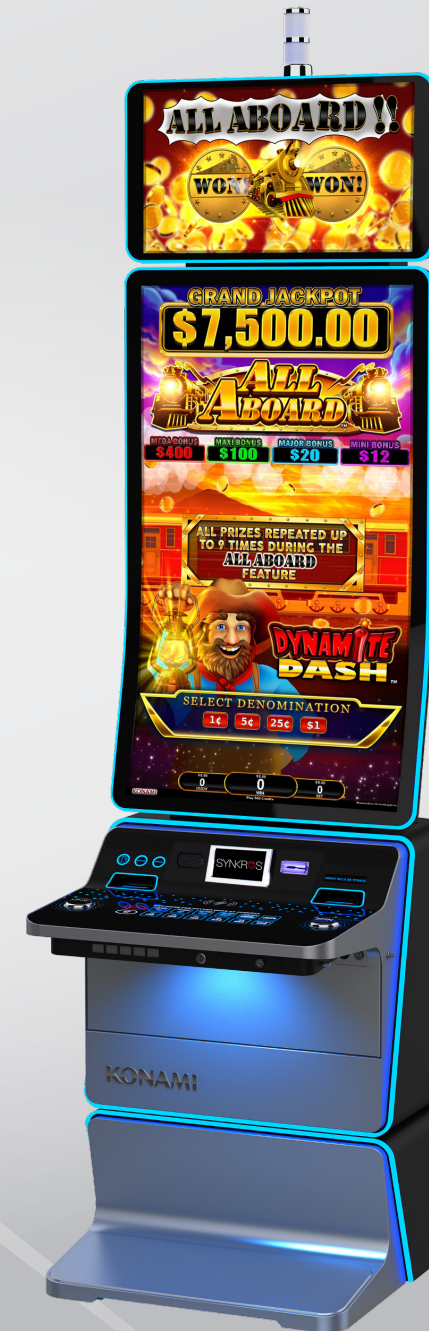

DIMENSION 27™

- Three 27-inch UHD displays
- Core video slot cabinet
- Game library catering to core players

DIMENSION 49™

- Flat, 49-inch 4K UHD display
- Game library with an array of original new linked progressive series in stunning portrait display

DIMENSION 49J™

ELEGANCE TAKES SHAPE

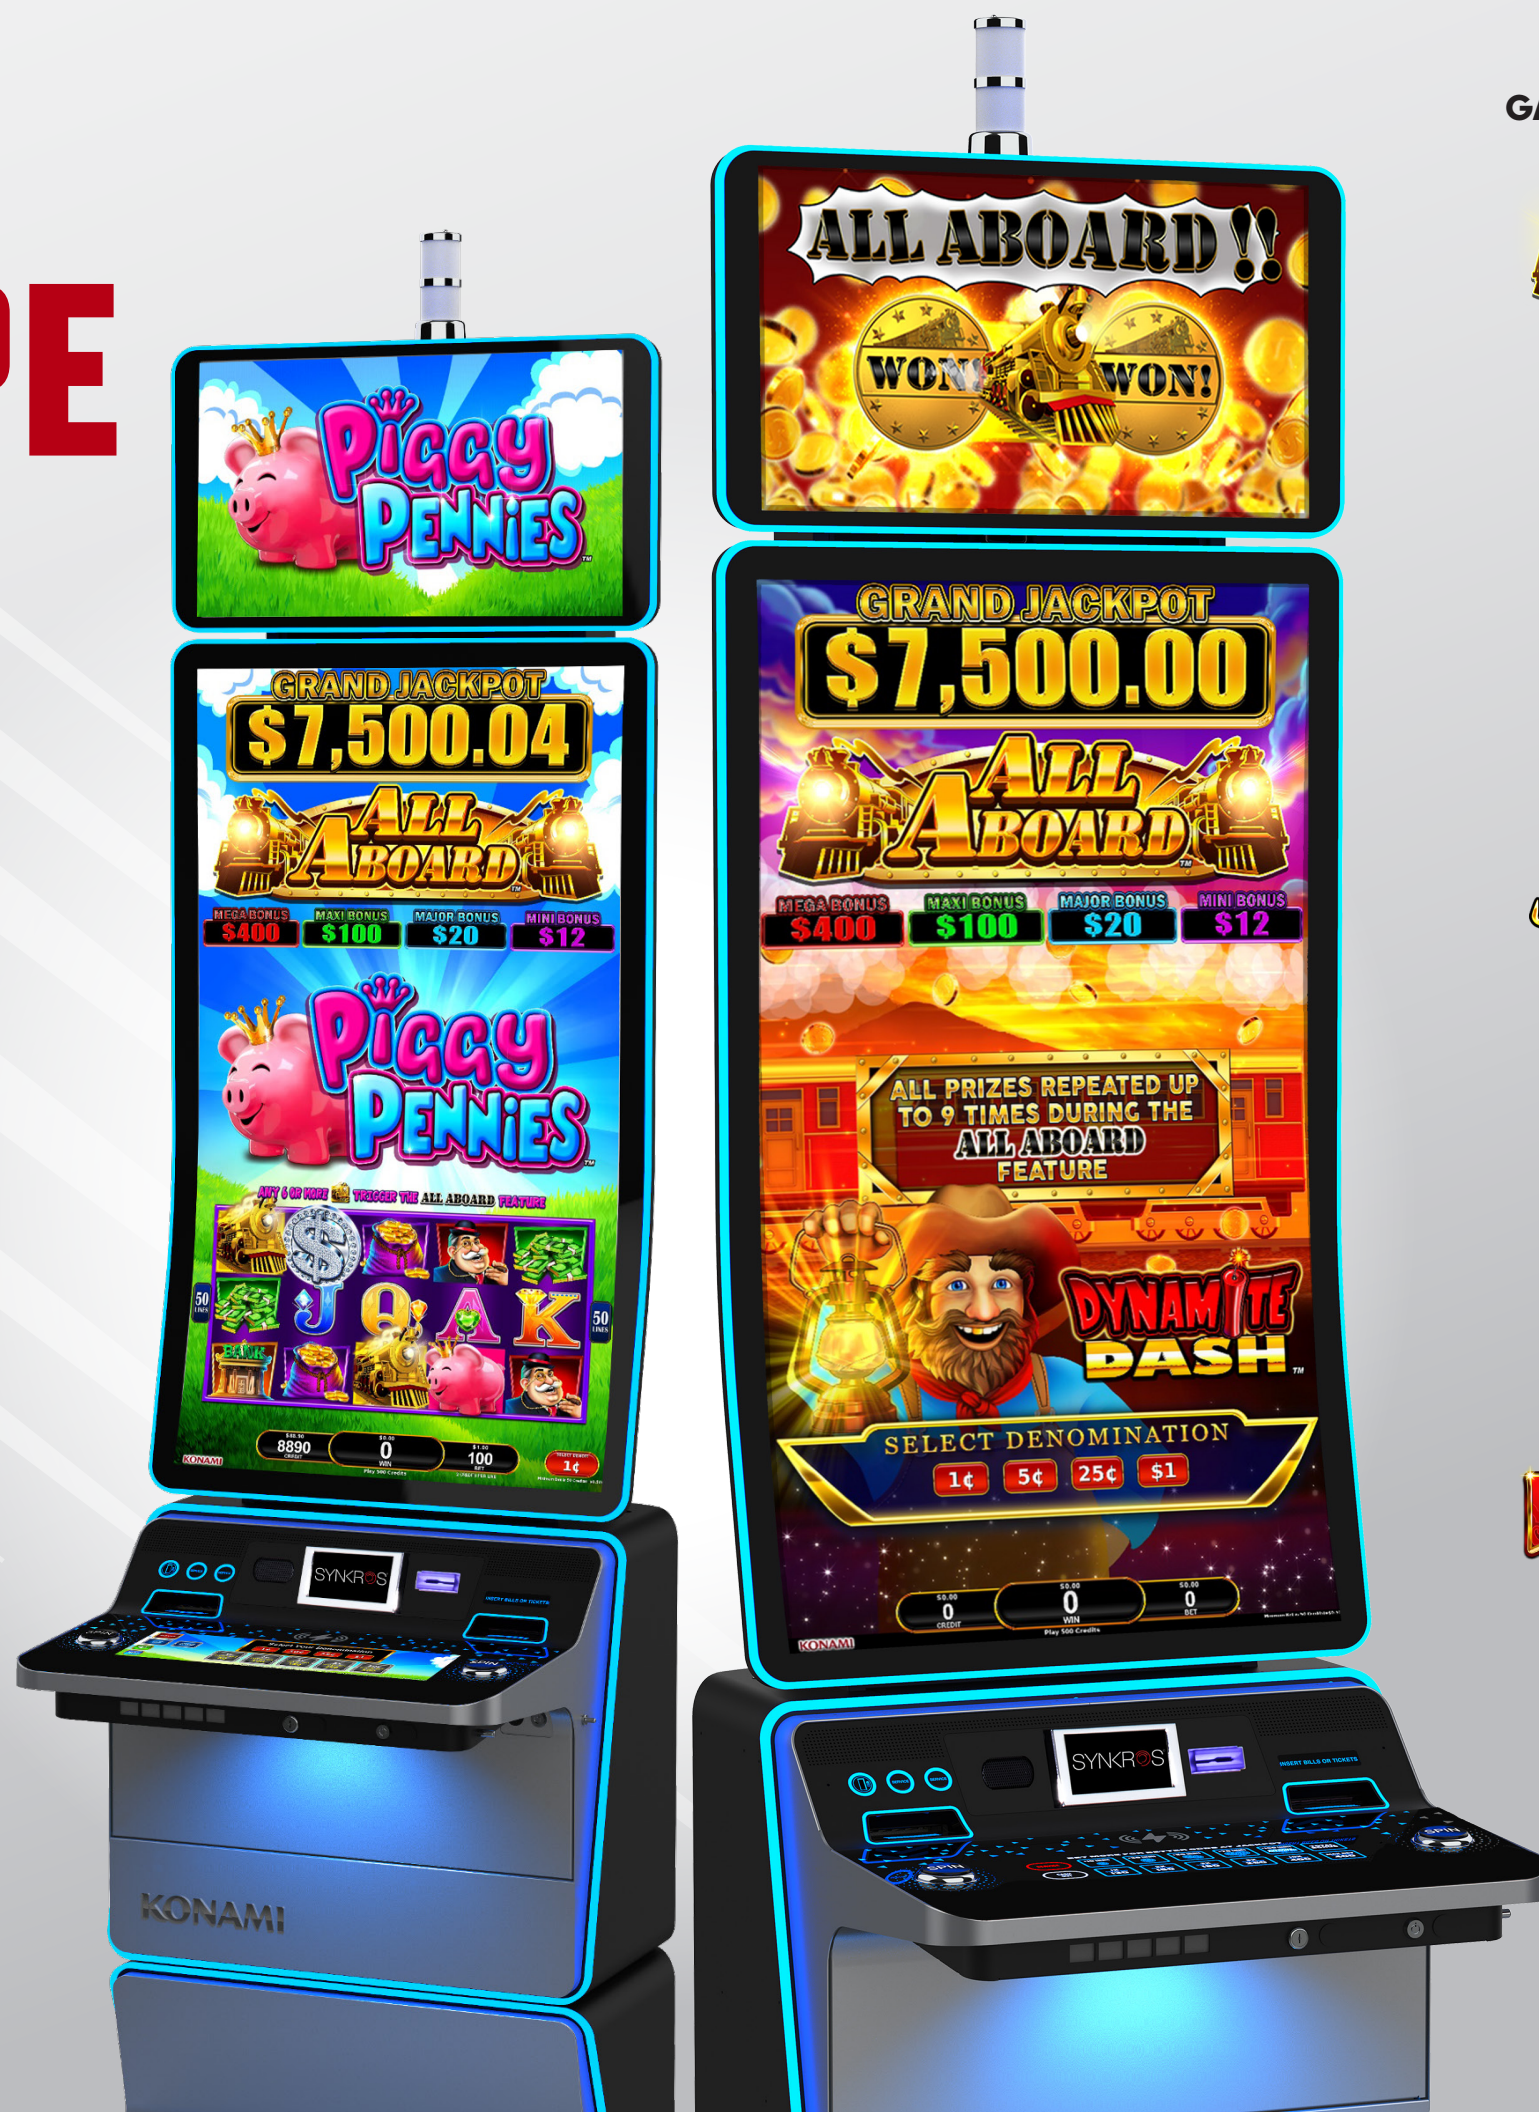

Like its sibling, DIMENSION 49, DIMENSION 49J boasts that big, beautiful portrait screen—with one sleek difference. The J-curve display is a graceful invitation to draw the eye and maximize excitement.

Epic, cinematic titles sing in 4K UHD on these premium machines. Immersive sound soars. And popular play mechanics amplify anticipation.

DIMENSION 49J™

KEY FEATURES

- 4K UHD curved displays
- Custom merchandising options
- Game library highlighting premium linked progressive series to thrilling new licensed titles

GAME THEMES AVAILABLE

Symbol-driven excitement is just around the track with Konami's popular All Aboard™ linked progressive series—ranked Top 25 Grossing Parent Games – Premium Leased & WAP for over 3 years by Eilers & Krejcik Gaming, LLC and Fantini Research. Six or more train symbols trigger a credit collection feature, taking players on a journey to ample rewards and action-packed bonuses.

KEY FEATURES

- Integrated linked progressive
- 1-Level linked progressive
- 4-Level non-incrementing jackpots
- World-famous credit collection feature

TITLES AVAILABLE

Following proven success in the Class III market, Konami is introducing its Bull Blitz™ premium linked progressive series to HHR audiences with thrilling prize opportunities and high-energy features. Any 6 or more golden bull symbols trigger the Bull Blitz feature, where all shown credit awards may re-tally in an "X-TRA HIT" any time a golden bull symbol lands.

KEY FEATURES

- Integrated linked progressive
- 1-Level linked progressive
- Stay & Spin
- Xtra Hit feature

TITLES AVAILABLE

LUCKY ENVELOPE™

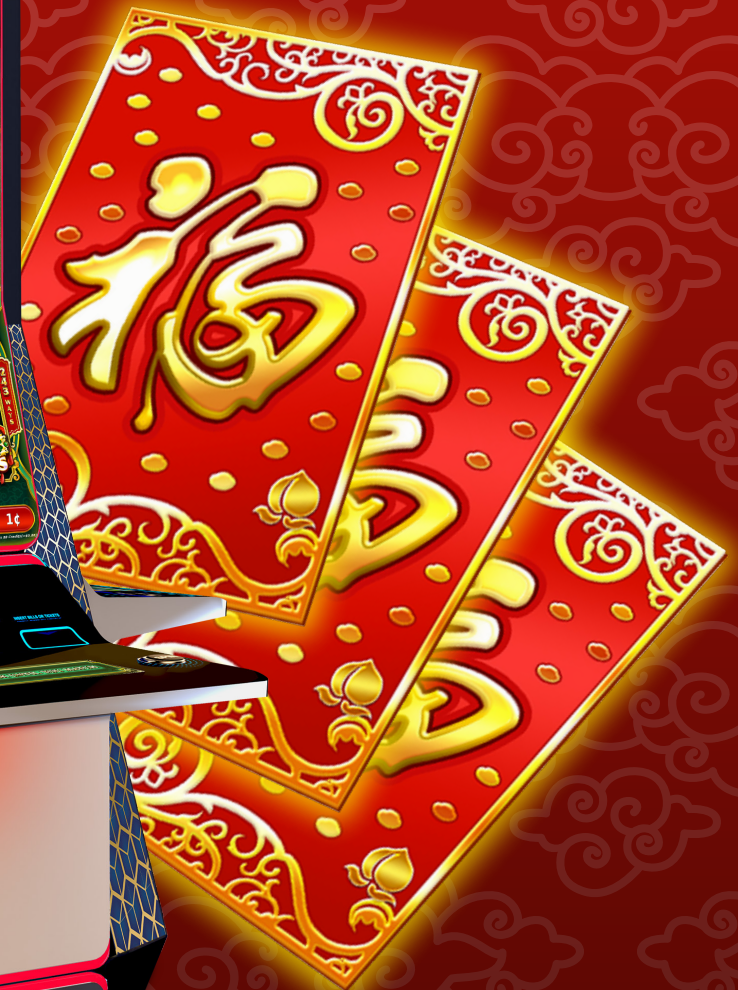

Lucky Envelope™ opens fresh possibilities of player excitement around the enduring gift-giving tradition of the red envelope, through exhilarating symbol-driven prizes and surprising mystery-trigger events. Covered in Asian-inspired art elements, rich patterns, and sparkling gold accents, this premium linked progressive series is rooted in a 243 Ways reel frame, with 4-level pick 'em progressive jackpot.

KEY FEATURES

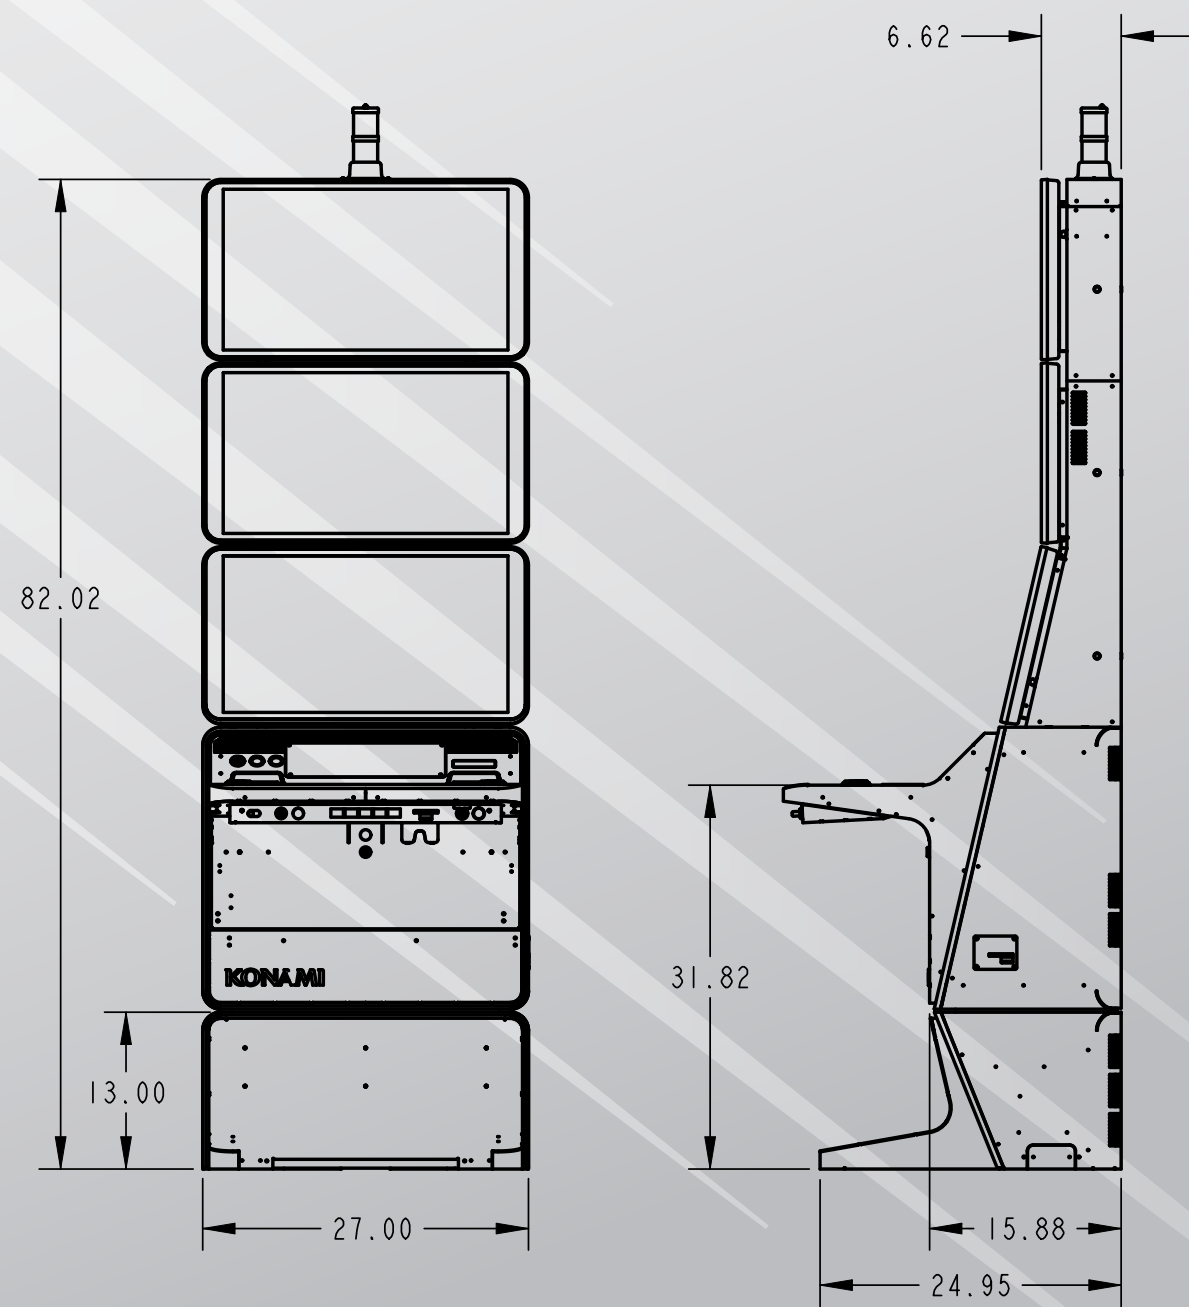

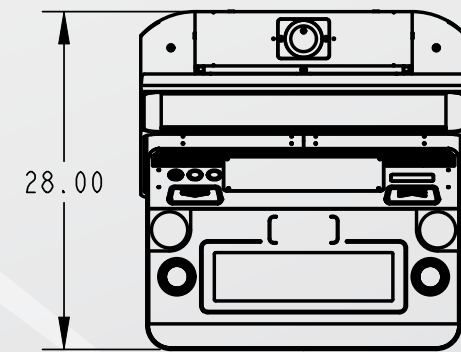

- Integrated linked progressive
- 4-Level linked progressives
- Pick 'em progressive feature
- Instant credit prize awards
- ULTRA REELS 243 WAYS™

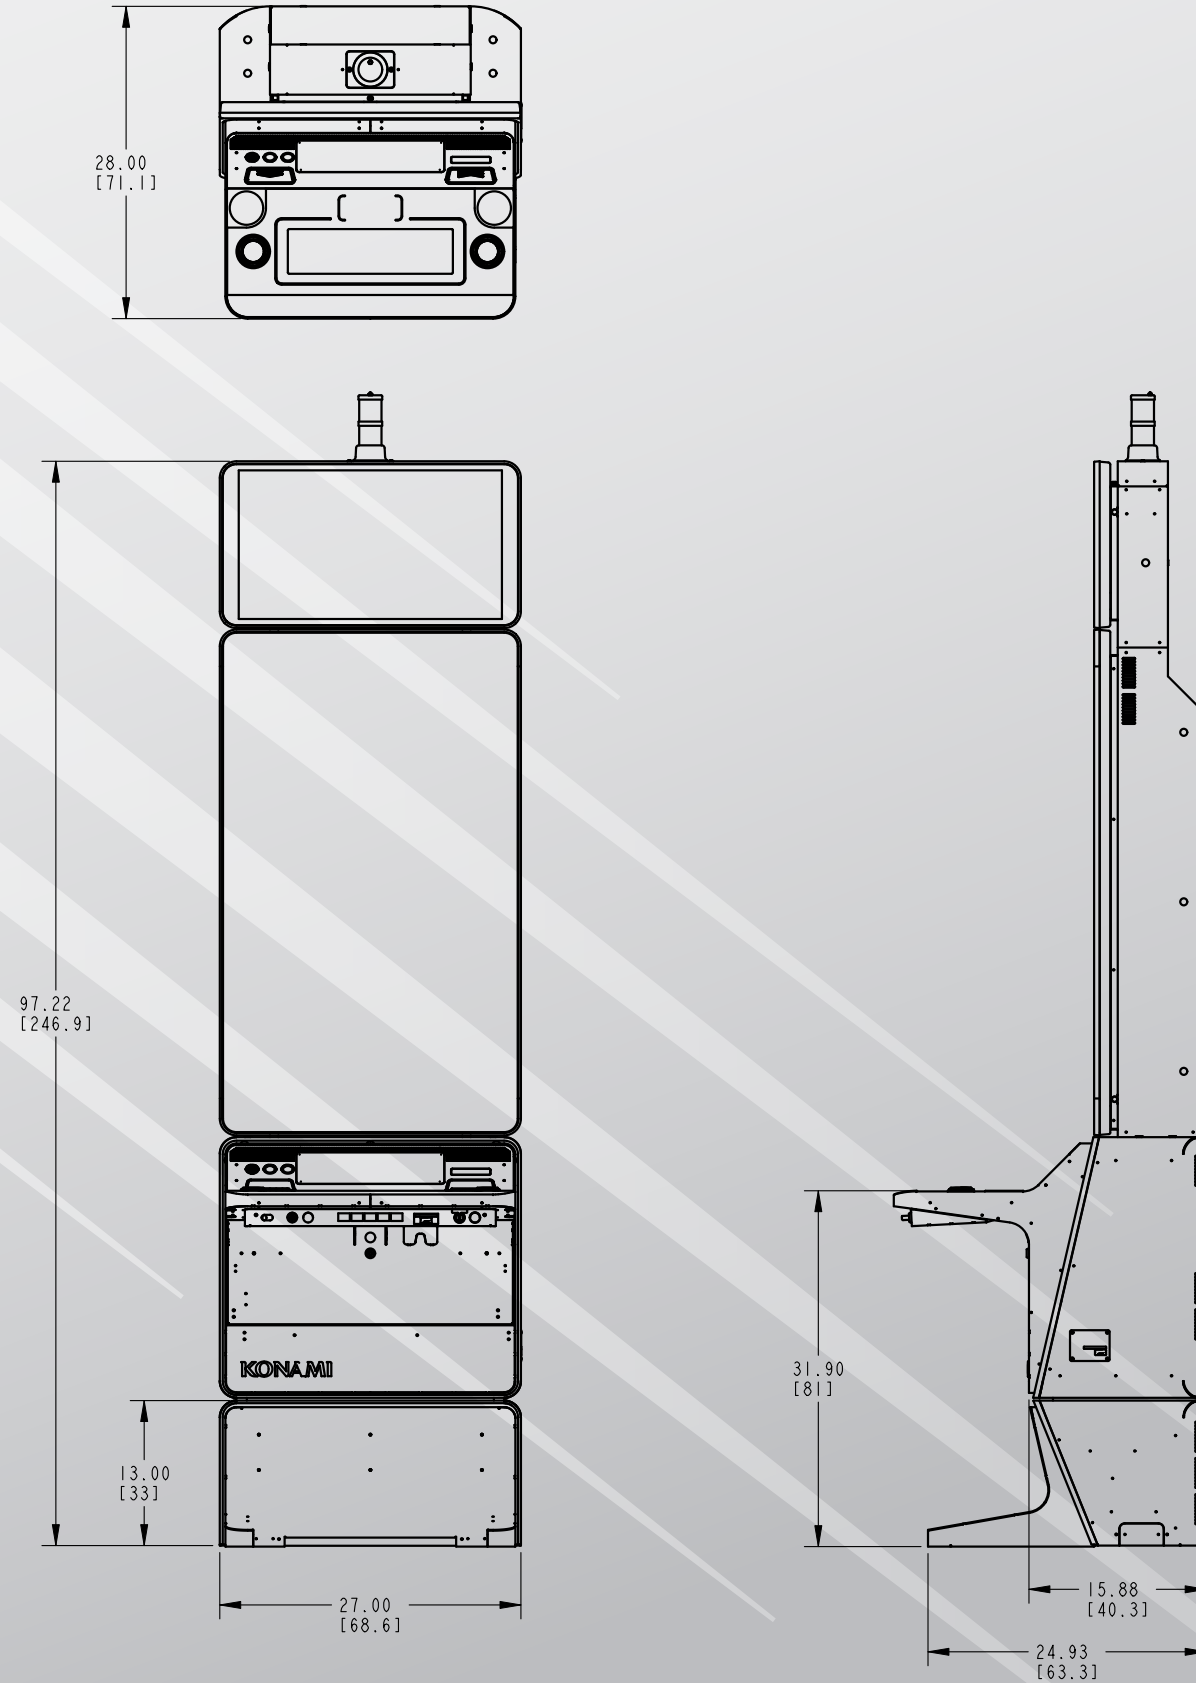

TITLES AVAILABLE
