REEL EXCITEMENT ONLINE

Bring top Konami content to your online offering! From the latest big hits like All Aboard™ and Lucky Envelope™, to timeless classics like China Shores™ and Adorned Peacock™, Konami Gaming, Inc.'s proven land-based slot games have the advantage of global popularity, unmatched enjoyment, and enduring notoriety. Leverage the latest additions to Konami's online library to give users the highest tier of available entertainment.

Konami offers a library of player-favorite land-based games for deployment via online social and for-wager sites. To help achieve robust digital distribution, Konami has its own remote gaming server (RGS), which integrates with most popular back-end systems used by online gaming operators. Through the RGS, online operators can tap into time-tested game performance, with robust HTML5 delivery—compatible across smartphones, tablets, and desktop devices.
